Spring Semester Classes for Homeschoolers Spring 2025 (Ages 10-16)

Thursdays March 6, 2025-June 26, 2025

(Students are welcome to stay for the lunch break and bring their lunch and/or snack)

Language Arts (Ages 10-16) Thursdays from 11:15 am - 12:30 pm.

In this class, students will develop vocabulary, writing skills, analytical and interpretive abilities, and organizational techniques. Public speaking exercises will also be incorporated to enhance students' confidence and communication skills. This class is a combination English composition and literature, based on New York State's recommended reading materials and standards.

Payment by the month \$25/class; drop-in (call ahead) \$30/class.

Science Explorations (Ages 10-16) Thursdays from 1:00 pm - 2:30 pm

This hands-on class explores concepts in chemistry, biology, astronomy, and physics. Students will use microscopes, conduct lab experiments, and engage in other interactive activities. All safety gear and materials are provided. Additionally, students will have the option to participate in our first Science Fair this November, providing an opportunity to showcase their discoveries and practice their presentation skills.

Cost: Payment by the month \$25/class; drop-in (call ahead) \$30/class.
